
Gian Maria Marconi

Nationality:
Italian

Ph.D. Student:
1st year
IIT - iCub Facility
UniGe - LCSL

Education

2014: **B.Sc** Computer Engineering, UniPr
2017: **M.Sc** Communication Engineering, UniPr

Master Thesis:

Hyper Radial Networks for memory
constrained Machine Learning

Bachelor Thesis:

Meta-optimization of evolutionary
algorithms

Research Interests

- Data representation
- Deep Learning
- Large Scale Machine Learning
- Machine Learning for Robotics
