

# Fabrizio Bottarel

fabrizio.bottarel@iit.it

**MSc** in Automation Engineering

*Convolutional Neural Networks for text detection in high resolution images*

**Internship** at Datalogic Holdings (Pasadena, CA)

**Research Fellow** at IIT (Advanced Robotics)

**PhD Student (1st Year)**

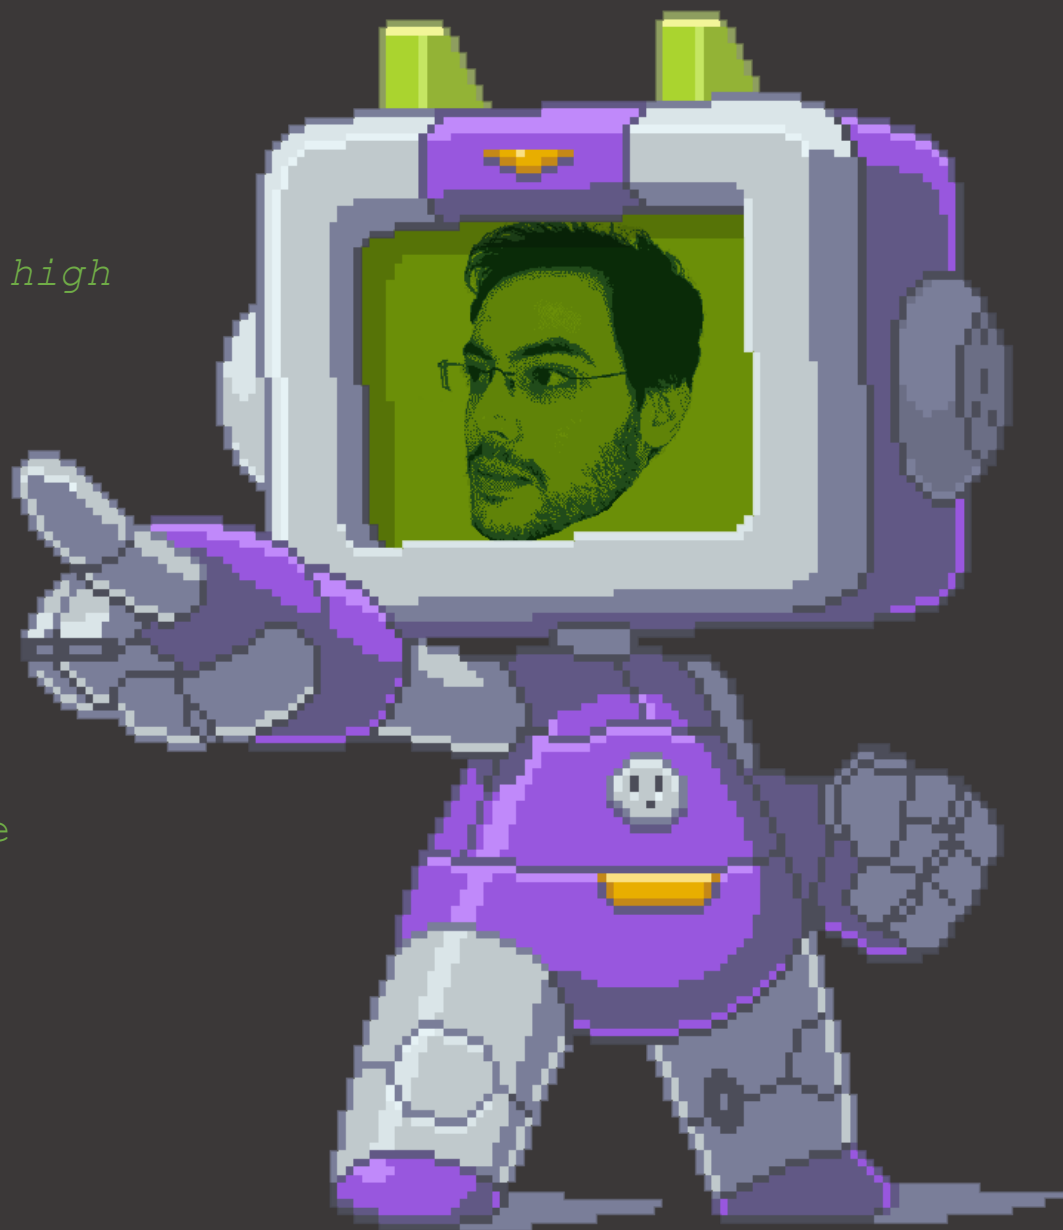

iCub Facility - Humanoid Perception and Sensing line

**Research interests:**

Computer vision

Grasping

AI for Robotics
