<http://whrl.wpi.edu>

Education

Ph.D. Candidate at Worcester Polytechnic Institute (WPI), MA - USA
Ph.D. Advisor: Prof Michael A. Gennert

2015

Master of Science in Robotics Engineering, WPI

Thesis: Cyber Physical System for Continuous Evaluation of Fall Risks to Enable Aging-In-Place

Research Interest

Perception and motion planning for humanoid robots, space robotics, disaster robotics

Current Research: Tight coupling between perception and manipulation
